REGISTERING TO VOTE IN NEW HAMPSHIRE

This guidance is updated on July 7, 2022. Do not rely on previous versions.

A person must meet the following to register and vote in New Hampshire:

- 18 years of age or older on election day;
- A United States citizen; and
- Domiciled¹ in the town or ward where the person seeks to vote.

You need to provide proof of your identity, age, citizenship, and domicile to register. Proof can be either by documents or by affidavit if you do not have documents with you. You may present documents in paper or electronic form.

- A driver's license or non-driver ID from any state is proof of identity and age.
- A birth certificate, U.S. Passport/Passcard, or naturalization document is proof of citizenship.

Note: A New Hampshire Real ID compliant driver's license is NOT proof of U.S. Citizenship.

You can prove your identity, age, and/or citizenship by signing a Qualified Voter Affidavit, under oath, in front of an election official if you do not have documents.

You will also need to prove that your domicile is in the town or ward where you intend to vote. Proof can be either by a document or by affidavit. The law requires a document that "manifests an intent to maintain a single

continuous presence for domestic, social, and civil purposes relevant to participating in democratic self-government.” RSA 654:1².

Many types of documents fill this requirement. The following documents are examples of acceptable proof of domicile. You need only one document:

- A New Hampshire driver’s license or non-driver ID showing your current domicile address;
- A document from the school that you attend showing that you live in campus housing. A document issued by the school that has your name and the address (on or off campus) where you live fills the requirement. Many colleges and universities provide students with acceptable documents.
- Students also may use a smart phone or other electronic device to show the election official a page from the college or university’s official student electronic records website. The web page must list the student’s name and dorm assignment or off-campus residence address. Some universities have established an on-line web page resource specifically for this purpose. Consult your school officials if you cannot find and display this information from your school’s system.
- A note signed by a school official, including a Resident Assistant or other person who supervises your dorm, fills the requirement under RSA 654:1, I-a.
- A rental agreement, lease, or similar document that shows your name and the address of your domicile. The document must show your domicile on Election Day.
- A document showing that you own the place you claim as domicile, such as a deed, property tax bill, or other similar document that has your name and address.
- A New Hampshire resident motor vehicle registration showing your domicile address.
- A voter photo ID issued by the NH Division of Motor Vehicles at no cost to you.
 - Ask your town or city clerk or the Secretary of State’s office for a voucher and present it to the Division of Motor Vehicles (DMV) to get a voter ID card. Voter photo ID cards can only be used for voting purposes,

² Senate Bill 3 did not amend RSA 654:1.

- Information on the documents you will need to present to the DMV is available here: <https://www.dmv.nh.gov/drivers-licensenon-driver-ids/apply-your-first-drivers-licensenon-driver-id>
- A document showing that you enrolled a dependent minor child in a public school that serves the town or ward of your domicile.
- Any state or federal tax form, other government form, or government issued identification that shows your name and your domicile address.
- Canceled mail addressed in your name to your domicile address that shows the U.S. Postal Service delivered the mail to you at that address.
- Any form from the U.S. Post Office showing your name and the physical address where you are domiciled (not a Post Office Box). The confirmation you received by e-mail or U.S. mail when you reported your new address to the Post Office fills the requirement.
- A public utility bill, such as an electric, telephone, water, gas, or other utility bill, with your name and domicile address on it.
- A note from a homeless shelter or other service provider located in the town or ward where you will vote that confirms they will receive U.S. mail sent to you at that address.
- You may also use any other document that shows proof of your intent to make the place you claim your voting domicile.

You may call or visit your town or city clerk's office if you have any questions about proof of domicile. Look up your clerk's address and contact information here: <https://app.sos.nh.gov>

You can prove domicile by signing a Domicile Affidavit if you do not have a document proving your domicile.

More Detailed Information regarding Registering to Vote

What is "domicile"?

"The fundamental idea of domicile is home." *Felker v. Henderson*, 78 N.H. 509, 511 (1917).

"An inhabitant's domicile for voting purposes is that one place where a person, more than any other place, has established a physical presence and manifests an intent to maintain a single continuous presence for domestic, social, and civil purposes relevant to participating in democratic self-government. A person has the right to change domicile at any time, however a mere intention to change domicile in the future does not, of itself, terminate an established domicile before the person actually moves." RSA 654:1, I.

"A student of any institution of learning may lawfully claim domicile for voting purposes in the New Hampshire town or city in which he or she lives while attending such institution of learning if such student's claim of domicile otherwise meets the requirements of RSA 654:1, I." RSA 654:1, I-a.

"A voter can have only one domicile for voting purposes." RSA 654:2, I.

"RSA 654:1, I, like common law domicile, requires physical presence and the intent to make one's place of physical presence one's home (that "one place where a person, more than any other place, has established a physical presence and manifests an intent to maintain a single, continuous presence for domestic, social, and civil purposes relevant to participating in democratic self-government")." *Casey v. N.H. Secy. of State*, 173 N.H. 266, 274 (2020).

Under New Hampshire law, the terms "domicile" and "residence" are equivalent. Establishing a voting domicile may also trigger certain other residency obligations under state law. These may include the obligation to obtain a New Hampshire driver's license and/or motor vehicle registration.
